

CONFERENCE PROGRAMME

Sunday 17th June 2012

- 14.00 Exhibition set-up
16.00 Delegate registration
18.30 Cocktail reception followed by Welcome Dinner

Monday 18th June 2012

- 07.30 Delegate registration
08.45 Welcome address from the conference organisers
09.00 Indonesian cement market – survey and investment horizon: Widodo Santoso, Chairman, Indonesia Cement Association
09.30 Business climate in Indonesia – opportunities & challenges: Jakob Friis Sørensen, Chairman of the European Chamber of Commerce (Indonesia)
10.00 Keynote address and official opening of the conference & exhibition: Panggah Susanto, Director General, Manufacturing Industrial Base, Ministry of Industry, Republic of Indonesia
10.30 Coffee break
11.00 Global cement sector market trends and industry analysis: Luis Prieto, Deutsche Bank AG (UK)
11.25 Successful completion of Tuban IV in East Java: Otto Andri Priyono, PT Semen Gresik (Indonesia)
11.50 Turnkey – an approach with many benefits: Constantin Kimmig, ThyssenKrupp Polysius AG (Germany)
12.15 Challenges of the Wadi mega project upgrade: K K Rajeev, ACC Ltd (India)
12.40 Lunch
14.00 Malaysian cement sector update, Sarawak clinker plant upgrade and distribution case study: Martin Wilkes, Independent cement consultant (Indonesia)
14.30 Enhance your ROI through structured asset management: Jagdeep Verma, Holtec Consulting Pvt Ltd (India)
15.00 Australian cement – industry update and outlook: Marilyn Gardner, MGardner Associates (Australia)
15.30 Coffee break
16.00 Sustainable waste solutions - a case study on safe treatment of ozone depleting refrigerants: Vincent Aloysius, Geocycle (Indonesia)
16.30 Improve your return on investment with COSMA - real time mineralogical analysis and automatic control: Con Manias, FCT Group (Australia)
17.00 Modern cement manufacture and designing blended cements: Arthur Harrison, Arthur M Harrison Ltd (UK)
18.30 Evening reception: buffet supper in the exhibition area

Tuesday 19th June 2012

- 09.00 Operational experiences with the Loesche vertical roller mill: Bernhard Schröder, Loesche GmbH (Germany)
09.30 Modernisation of Phoenix Zementwerke grinding system with QDK high-efficiency separator: M Kleinebecker, Christian Pfeiffer Maschinenfabrik GmbH (Germany)
10.00 'Plug in and grind' – the ultimate solution for flexible grinding stations: Moises R Nunez, Cemengal (Spain)
10.30 Coffee break
11.00 Co-processing of alternative fuels and raw materials and treatment of organic hazardous wastes in cement kilns – recent examples from Asia: Dr Kåre Helge Karstensen, Chief Scientist, SINTEF (Norway)
11.30 Successful application of solid alternative fuels in a cement plant: Hervé Heller, Walter Materials Handling/ATS Group (France)
12.00 Case study – alternative fuel utilisation at the Leube plant, Germany: Wolfgang Hammer, A TEC Asia Sdn Bhd (Malaysia)
12.30 Lunch
14.00 15 days from flame-off to flame-on for a 1400tpd clinker cooler retrofit project at Askale Cement: Mogens Fons, Fons Technology International (Turkey)
14.30 Cement and clinker trade flows in Asia: Ad Ligthart, Cement Distribution Consultants (The Netherlands)
15.00 Marine cement terminals – design concepts and case studies: Dicken Sze, IBAU Hamburg (Germany)
15.30 Coffee break
16.00 Improve your logistics efficiency with an automated loading and dispatch system – Holcim Philippines case study: Markus Lanz and Marc Graner, Fritz & Macziol GmbH (Germany)
16.30 The theory and application of acoustic cleaners within the cement plant and related power generation plants: Alex Bergus, Primasonics International Ltd (UK)
17.00 A new approach to service and optimisation in the cement industry – Indian cement plant case study: Ganesh Kamath, PT ABB Sakti Industri, Indonesia
19.00 Gala Dinner and entertainment
- Wednesday 20th June 2012**
- 09.00 - 13.00 Workshop: The cement kiln mass balance: Led by Dr Michael Clark, CemNet e-Learning

Conference programme is subject to change.
